IMPORTANT NOTICE

Due to the sport-tourer character of our bike, for the Saturday tour, we decided to split participants in two groups:

- SPORT-TOURING group, for those who “keep the throttle open”
- TOURING group, for those who want to enjoy the landscape and to take pictures

The above in order to create homogenous groups and to safely manage the tours.

Choice of group will be made in the participation form, but it is not binding.

For safety reasons, along the route there will be staff on bike easily recognizable. We kindly ask you to facilitate their work.

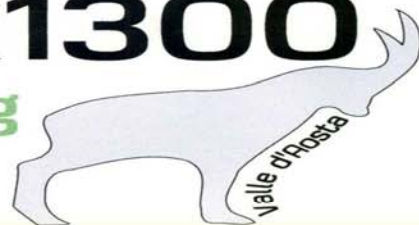

FJR1300 Club Italia and its staff will be held harmless from any liability, for any reason, in the causation of damages, of any kind and nature, due to accidents and/or anything else that may occur before, during or after the meeting.
